

10-Year Prorated Limited Warranty

1. Warranty Coverage

This LP warranty applies to the original retail purchaser (“Purchaser”) of LP ProStruct Flooring with SmartFinish (the “Product”) and to any owner of a building in which the Product is originally installed (together “Owner”). This warranty is strictly limited to structures permanently located in the United States and Canada.

Louisiana-Pacific Corporation (“LP”) warrants for a period of ten (10) years from the date of installation that its Product bearing the APA® rated RSIF (rated sturd-i-floor) mark will, when handled, stored, set-up and installed in accordance with LP’s applicable published Product installation instructions:
 - (i) Exhibit no Delamination. Delamination is defined as a visible separation within the panel that results in reduction of the panel’s structural strength. Minor surface characteristics such as loose or folded surface flakes do not qualify as Delamination; and
 - (ii) Perform as reasonably required of a structural flooring panel in the shed in which the Product was originally installed.
- b. LP warrants that, at the time of manufacture, its Product bearing the APA certification will meet or exceed the manufacturing standards/requirements for APA rated flooring.
- c. LP further warrants that the Product(s) have been treated with the borate-based SmartGuard® process during their manufacture to enhance their ability to resist structural damage due to fungal decay.

If the Product fails to perform in conformance with this limited warranty, LP’s liability is limited to the repair, replacement provisions in Section 5 below.
